About me

- **Head of Operation,Quantum.ai**
- **Writer**, HackerNoon, Medium
- **Data Science Instructor,Amar iSchool - আমার ই-স্কুল**
- **Coach and Mentor,Rails Girls Summer of Code 2020**
- **Research Area:** Machine learning & Deep learning.

Discussion: Machine Learning Workshop with Real Life Application

- **Intro of this workshop**
- **Dataset**
- **Applying Machine learning model**
- **Deploy model in App**

Programming Tools

- o Python
- o Pandas
- o Numpy
- o Scikit-learn

Developing Tools

- o Flask
- o Heroku

AI App

Name: Fruit Prediction AI App
